

11 College St

The plants we can identify include:

Penstemon

Hemerocallis (Stella d'Oro)

Stachysbyzantina (Silver Carpet)

Muhly grass - pink

Smoke tree

Rhaphiolepis (Ballerina)

Polygala

Lavender Dentata

African Daisy (?)

Red grass (?)

Bordering the house and the sides of our lot:

Dwarf Bottle Brush

Heavenly Bamboo

Roses

Jade plant

We think the very large tree in front is a Camphor tree.
